

International Union of Aerospace Insurers (IUAI)

Members Conference 30 May – 1 June 2022

IUAI International Union
of Aerospace Insurers

General Aviation Study Group

Dublin 2022

General Aviation Panel

- John Brogan (USAIG)
- Anthony Frankel (AXA XL)
- Christophe Kleider (LRA)
- Marcello Maestri (AIG)

Our thoughts and prayers are with Irina Morozova and her family (Busin - Ukraine)

General Aviation Discussion Points

- Notable increase in flight hours
- Exponential escalation of losses
- Crew competence
- Lack of expertise
- Rusty professionals
- ATC workload
- New generation aircraft
- Unavailable Simulators

Whilst this list is by no means exhaustive, and may not be covered in the allocated time, the points should serve as a foundation for ongoing discussion at this conference.

Thank you
